

NO MORE DEATH CROSSINGS in Chicago. Elevated road officials of the Windy City have tested this new foolproof safety gate for grade railroad crossings. It is connected at each end with stout iron pillars and lifts and lowers like an elevator. When down if an automobile runs into it the gate gives several feet and finally bounces the car back like a rubber ball.

Maybe your husband discovered our Bond

REMEMBER the night your husband said: "You look tired tonight; why don't you sleep late tomorrow?"

And you replied: "But I have to get up at six o'clock and set the dough."

"That's foolish," he said.

"Foolish," you echoed — "perhaps so — but would you be willing to eat bread I didn't bake myself?" And he hesitated — and you got up at six o'clock as on every other baking morning.

Perhaps it was that very night that he looked up from his newspaper and said:

"Look here; this reads like something I'd be willing to take a chance on. Here is a bread that is guaranteed with a Bond on every wrapper. It absolutely certifies that only the purest home ingredients are used in the baking, and they call the bread Bond Bread. Let's try it once and see."

So husbands sometimes have their uses around the house after all. That Bond proved to be a Liberty Bond so far as you are concerned.

It freed you from the long ordeal of those baking days — forever.

What Does It Cost To Keep Beautiful?

WHEN weather and work conspire to mar the beauty of the skin, every woman has a problem on her hands and face.

The cost of preserving one's beauty is high unless you use Velogen. For Velogen keeps the skin in its natural smoothness, softness, and freshness.

Velogen, by itself, without other preparations, cleanses the pores, soothes the skin, preserves or restores smoothness, and disappears.

Velogen simply unfolds your flowering charm.
